／ q u e s t i o n s a n d a n s w e r s

- (Q) What made you like (you)? — There's nothing I liked, for real. I mean [never] came...
 (A) What time is going to you and attractive? — Come again? (P-Ah, but I do think the girl-appeal girl.)
 (Q) How do you spend your time off? — Rest at home! And if possible, I'd prefer to just stay at home... rather much...
 (A) Don't you have a hobby or something? — Strangely, I started to have an extra hobby to my interest...
 (Q) Do you have a hobby you can't resist? — I don't really want to answer this question. It sounds kind of stupid, and unpleasant answers sound very odd. — Oh...no, no, no.
 (Q) Do you smoke? — I smoke in some circumstances, but I don't smoke really. Because air smoke is so cruel.
 (Q) How many drinks do you like? — Alas, when do you like? — For quite a long time, but I don't really like, and then just keep looking in my words.
 (Q) What kind of clothes do you like to wear? — Mostly black clothes. Hey, come to think of it... actually, only the black dress!
 (Q) What is your personal motto? — "Always stay on-guard!" With such calm, unquestioning devotion to subjective assumptions, is exactly my motto!
 (Q) Please address anyone you wish. — Umm, I wish you were a little more talkative, you know.

/ DOLLS knowledge

DOLLS facts

- ① There are two types of the Special Execution Force uniforms: khaki-colored and white+blue. The khaki color is close to black, and the blue color is something between bright blue and navy blue.
- ② Khaki uniform is for everyday work. White uniform is to be worn on daytime public occasions.
- ③ The insignia on a uniform collar is intended not only to indicate the unit number, it's also a positioning transmitter.
- ④ In case of emergency, the home residences of the Special Execution Force members are equipped with surveillance cameras.
- ⑤ The Special Execution Force members repair their uniforms at their own expense.
- ⑥ The standard weapon in the Special Execution Force is a Colt Government. However, Shou-ou's the only one who used the Desert Eagle.

Appeal to Reader's Wisdom

I hope you enjoyed this book as much as I did.
If you read it and liked it, I highly encourage you
to pay respect to the artists by purchasing your own copy
if given the chance.

In return, I ask you
— to not upload these materials to any online manga sites
aggregators like /online readers/
— do not share single pages from the archive anywhere.

Please remember that free online distribution
offends and discourages the mangakas in the first place,
so showing off like an idiot
in a provocative way
is not the most reasonable policy.

Thank you for your
understanding.
